

Appl. No. 09/880,801
Amendment dated: July 20, 2004
Reply to OA of: June 30, 2004

REMARKS

The Official Action is a restriction requirement in which it is urged that there are three separate and distinct inventions claimed in this application. Applicants elect the Group I invention, drawn to a sample analysis system which includes claims 1-9 and 17-25, without traverse. Applicant has canceled claims 10-16 without prejudice or disclaimer and reserve the right to file one or more divisional applications on the non-elected inventions at a later time.

In view of the election of the Group I invention without traverse, an early and favorable action on the merits is now believed to be in order and is most respectfully requested.

Respectfully submitted,

BACON & THOMAS, PLLC
